

# Values Statement

## Responsibility

We know what we do matters. Helping our customers and being there for our community is a big responsibility and one that we will never take lightly.

## Perseverance

Our mission always drives us to be and do our best. We show up with grit and determination, and we don't give up easily.

## Equity

We believe everyone deserves the same right to opportunities in life. We are everyday people helping everyday people, without ego or agendas.

## Potential

We innovate and we grow – not for the sake of getting bigger - but because we believe in the potential for something better.

## Community

We are more than an office, a shop or a workplace. Cashies is a community. We make sure Cashies is always a safe place for people to belong and connect - our doors are always open.
